SC Court of Appeals

Dear Ms. Abbott Kitchings:

Following by conversation with Ms. Monica about information concerning the transcripts I've requested and have not yet received I am enclosing one for April Herron in my court with Judge Garrison Hill that seems to have gotten lost in mailing. Also a transcript request to Mary Lyn Best from Family Court.

Further she Ms. Monica advised I needed to express I have received no transcripts as yet and therefore may need to request additional time. I also suggested the same to Hollie Jenkins and Ms. April P. Herron in their letters.

Dear Ms. Herron:

At the time I initially sent a transcript request, I also sent out multiple requests for other Courts and reporters. And with each of these others was some sort of problem with accuracy requiring followup on my part and much rifling through the documents that inadvertently your letter was sorted away and commingled with others files. I am indeed sorry this happened and am resubmitting the request for your help.

I have attached my request and your reply, along with a check as you requested.

I have been advised that you need to probably request an extension from the court administration, as you noted in your letter.

Please handle this in the appropriate manner. And please accept my gratitude and apology, I don't generally navigate in this arena.

Sincerely yours,

GR

Dear Goldie:

Enclosed is a copy of the Order from the July 24, 2012 hearing. Since there was an agreement, there was no transcript requested. This Order is the law of the case as to your Family Court proceedings. The Court is very clear in its ruling. *But there was a transcript they didn't bother with*

Good luck to you.

Yours sincerely,

Amos A. Workman/nd
