Re: State v. Berry Bolin, Appellate Case # 2014-000281

Dear Ms. Johnson:

Thank you for your time on the phone this morning. As we discussed, I have noticed that the original trial transcript in my possession is missing pages. My petition due date has been extended once previously, and is due today.

I hereby request an extension of 30 days to file the Petition for Writ of Certiorari in this case so that I may provide the Court with a complete copy of the lower court record as required by the rules.

Very truly yours,

T. Micah Leddy
