

# The Supreme Court of South Carolina

William Deans, Petitioner,

v.

South Carolina Department of Corrections, Respondent.

Appellate Case No. 2012-207307

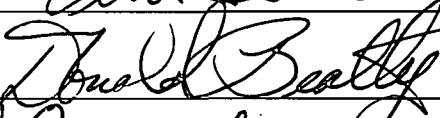

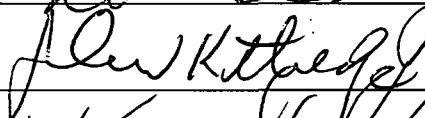

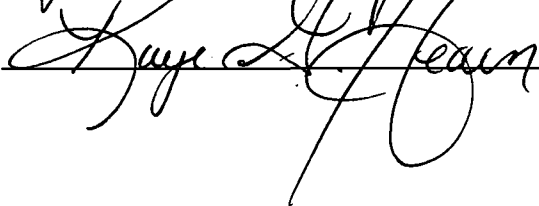

---

## ORDER

---

After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.

If petitioner seeks to challenge some condition of his confinement, he should initiate a grievance through the Department of Mental Health, not the Department of Corrections.
