RE: *Theodore Manning, Appellant case No. 2010-176707*

Deputy Clerk Allen;

I am in receipt of notification by the Court of oral arguments, with possible dates in October being the 6th-9th and 14th-16th. After consulting with my co-counsel, Fielding Pringle, we'd request that we be scheduled for oral arguments on October 15th. This is due to Mrs. Pringle trying a murder case the week of October 6th and I'm court protected October 16th and after as I'll be out of town. We hope this works, and please advise if it doesn't so that we may make other arrangements.

Sincerely,

Luke A. Shealey
