Attorneys for Respondent

Counsel for the Respondent hereby moves for an extension of time until June 20, 2014 in which to serve and file the Respondent's Response to Appellant's Amended Initial Brief in the present case.

This is the first Motion for Extension to Respond to Appellant's Amended Initial Brief and counsel certifies that this request is not intended to cause undue delay and is necessary to properly prepare and present the response to the issues in the case. Due to counsel's present case load, including a large number of briefing and trial commitments, as well as other client commitments, an extension of time until June 20, 2014 is required. Appellant consents to this extension.

Wherefore, the Respondent moves for an extension of time until June 20, 2014 to file and serve its response to Appellant's Amended Initial Brief. Respondent further moves that time be stayed pending a decision on this motion.
