- ⑧ I was never read my rights that day or after, my lawyer told me it would have been hard to prove since it would have been my word against the policeman's word.

IN closing I Truly Hope THAT  
you Find THE TRUTH AND Find ~~THE~~

Probable Cause To Have My Sentence Reversed or Grant me Another TRIAL, AND Maybe This Time I will Have A Lawyer with more experience with Trials. We Didn't Have Not one witness for The Defense AND He Told me THAT I Shall not get on THE STAND because They could bring up my Past, Which AT THE Time I wouldn't Have Cared, AND last but not lest I don't know much About the law but I do know THAT THE Solicitor CAN'T TALK to me during THE Court Deliberations without my lawyers but one of THEM Approached me outside THE courtroom in THE # lobby AREA AND Told me THAT I WAS going To get 10 yrs without my ATTORNEY <sup>being</sup> Present I know its My word Against Hers but I Just wanted you To know THAT.
