RE: Gertrude Shiver v. Palmetto Health Richland, Employer, Key Risk Management Services, Inc., TPA Palmetto Hospital Trust Services, Carrier, Trident Regional Medical Center, Employer, Key Risk Management Services, Zurich American Insurance Company, Carrier

RE: The Need and Motion to Amend my Initial Brief and Designation of Matter

Dear Ms. Kitchings:

There is a need to amend my Initial Brief and Designation of Matter so that my Appeal can be more effective. Mrs. Stormy told me that I could not add anything to the Initial brief without first submitting a Motion to Amend the Initial Brief. Therefore, I am submitting this Motion to request the Courts' permission to amend my Initial Brief and Designation of Matter.

I am going to incorporate the information into my Initial Brief. This Amended Initial Brief will be from approximately 10-15 pages more over the limit of 50 pages. It is essential that this information be included in my Initial Brief so that I can better defend my case.

Therefore, I am asking the Court's permission to amend my Initial Brief and Designation of Matter. I am enclosing a check for \$25.00 for the filing fee to amend my Initial Brief and Designation of Matter.

Yours truly,
