Appellate Case No. 2012-212524

ORDER

Respondent has filed a motion to dismiss this appeal, arguing Appellant has failed to comply with this Court's order of April 10, 2014. Our review of the motion and the Third Amended Record on Appeal indicates the record served on Respondent differs from the record filed with this Court. For example, Respondent contends the record is missing pages 43-58, but the record filed with this Court includes those pages. Within ten days, Appellant shall serve Respondent with a version of the record that is identical to the record filed with this Court. Also within ten days, Appellant shall serve and file a Supplemental Record on Appeal, which includes a complete copy of the following documents:

- (1) Order Granting Partial Summary Judgment filed February 15, 2012;
- (2) Affidavit of Attorney's Fees;
- (3) Complaint filed July 24, 2006; and
- (4) First Amended Lis Pendens, Summons, and Complaint submitted September 2, 2008.

Upon receipt of the Supplemental Record on Appeal and proof that Appellant has served Respondent with a copy of the Third Amended Record on Appeal that was

filed with this Court, or after the expiration of ten days, this Court will consider Respondent's motion to dismiss.
