

The Supreme Court of South Carolina

Kevin Gunter, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2013-000639

ORDER

The *pro se* response to the *Johnson*¹ petition filed by petitioner's counsel was originally due on January 16, 2014. The time to submit the *pro se* response was extended several times. The last extension warned petitioner that no further extensions would be granted and that extension expired on March 7, 2014. No *pro se* response was filed by that date.

By letter dated August 26, 2014, petitioner now requests an extension to file the *pro se* response. The request is denied.
