Objection To Respondents Motion To File
out of Time Initial Brief

RECEIVED

SC Court of Appeals

The Appellant Here By Objects To any motion To
File an initial Brief By The Respondents as Following

1. The Respondents initial Brief was due 30 days after Appellants initial Brief was filed but after 45 days and not corresponding with the Court The initial Brief nor a motion for a time enlargement has been filed
2. Pursuant to Rule 263 B The time prescribed by these Rules to perform an act under Rule 203 and 243 may be extended or shortened by the Appellate Court or by any Judge or Justice only.
3. Therefore it would be unfair and a violation of fundamental fairness and due process to allow any Brief to be filed or excepted from the Respondents. So Appellant Request That anything pertaining to any initial Brief filed by the Respondents not be considered by this Court and that no final Brief or designation of matter on record on Appeal be considered by this Court from the Appellants.
