SETTLEMENT AGREEMENT

This Settlement Agreement ("Agreement") is entered into by Plaintiffs Nancy Lancaster, Art Holland, Jeannette Holland, Wendell Turner, Phyllis Turner, Jack Bennett and Joan Bennett¹, individually and on behalf of the certified Class defined below, by and through their undersigned counsel ("Class Counsel"), and by Defendants Georgia-Pacific LLC, individually and as successor in interest to Georgia-Pacific Corporation, Grayco Home Center,

¹ Plaintiff Jim Lancaster died during the pendency of the case.

Inc., Del Webb Communities, Inc., , Razor Component Systems, Inc. and Razor Enterprises, Inc., and DJ Construction Co, LLC (collectively, "the Parties"). The Parties hereby agree to the following terms in full and complete settlement of the action styled Lancaster, et. al v. Georgia-Pacific Corporation, et. al., Case No. 2007-CP-07-3166 (Court of Common Pleas, Fourteenth Judicial Circuit, South Carolina) (the "Action"), subject to approval by the Court of Common Pleas (the "Court").

I.
RECITALS

1.1. On November 6, 2007 the Plaintiffs filed a class action complaint in the Court asserting claims against Georgia-Pacific and Grayco. A third amended complaint was filed on April 30, 2009 adding as additional parties Del Webb, Razor and DJ. By Order entered October 15, 2011 the Court granted Plaintiffs' motion for class certification and certified the following class:

All persons and/or entities currently owning, in whole or in part, residences in the Del Webb Communities, Inc. development known as Sun City Hilton Head, located in or about Bluffton, South Carolina, clad with fiber cement lap siding (HardiePlank®) and upon which the exterior trim product PrimeTrim® (a registered trademark of Georgia-Pacific Corporation and/or Georgia-Pacific LLC) is installed thereon as outlined in the Plaintiffs' Third Amended Complaint, excluding any residence owned by any federal, state, or local government, and any residence owned by any of the Defendants herein, their immediate family members, heirs, personal

representatives, successors, or assigns, and any of their subsidiaries, affiliates, or employees.

1.2. In the third amended complaint Plaintiffs allege that PrimeTrim®, an exterior engineered wood trim product formerly manufactured by Georgia-Pacific, is defective and that it was improperly installed by Del Webb and its subcontractors Razor and DJ. Georgia-Pacific and Grayco deny that PrimeTrim is defective and have affirmatively asserted that PrimeTrim® is an excellent exterior trim product fit for its intended use. Del Webb, Razor and DJ deny that they improperly installed the PrimeTrim®.

1.3. On April 2, 2012 the Court entered an Order approving the form of notice to the class. Notice was mailed by Class Counsel to the class members on April 5, 2012. Fourteen class members opted out of the class, leaving a class of 789 homeowners.

1.4. By Order also entered April 2, 2012 the Court entered a Preliminary Case Management and Scheduling Order ("Case Management Order"). Under the Case Management Order the Plaintiffs identified 79 homes (10% of the class) to be inspected pursuant to the South Carolina Notice and Opportunity to Cure Construction Dwelling Defects Act, S.C. Code § 40-59-810. The 79 homes were inspected by the Parties during the summer of 2012.

1.5. The Parties have engaged in extensive discovery in the Action, including fact witness depositions and depositions of expert witnesses. Georgia-Pacific has produced voluminous documents to the Plaintiffs. The Defendants have filed numerous motions with the Court, including motions to dismiss, for summary judgment, to strike expert affidavits, for individual discovery and for reconsideration. The Defendants have also filed appeals in the South Carolina Court of Appeals and Supreme Court. The Parties agree that this Action has been vigorously contested.

1.6. Pursuant to the Case Management Order, the Parties engaged in arms-length mediation beginning on December 7, 2012 and continuing into March, 2013. The mediation was conducted by Bradish Waring of the law firm Nexsen Pruet. The Parties also engaged in numerous individual arms-length settlement discussions. Each of the terms contained in this Agreement was reached through vigorous negotiation. The undersigned Parties agree, subject to approval by the Court, that the Action, including all claims that were or which could have been asserted therein, including but not limited to all claims relating to defects or alleged defects of PrimeTrim® or any part thereof, and the installation or use of PrimeTrim®, shall be fully and finally compromised, settled and released, and that the Action shall be

dismissed on the merits with prejudice, on the terms and conditions set forth in this Agreement.

1.7. Class Counsel has analyzed and evaluated the merits of the Plaintiffs' contentions and of the Defendants' defenses. Plaintiffs and Class Counsel, after taking into account the risks of failing to prove liability and/or damages, along with the risks, costs and protracted delay associated with further litigation, are satisfied that the terms and conditions of this Agreement are fair, reasonable, adequate and equitable, and the settlement of the Action is in the best interest of the Class Members.

1.8. The Defendants continue to deny all allegations in the third amended complaint and deny all liability with respect to any and all of the claims asserted. In particular, Georgia-Pacific and Grayco deny that PrimeTrim[®] is defective in any way and Del Webb, Razor and DJ deny that misinstallation was the cause of alleged problems with the trim. However, the Defendants consider it desirable to resolve the Action on the terms provided herein in order to avoid the further expense, inconvenience and distraction of ongoing litigation.

1.9. This Agreement reflects a compromise between the Parties and in no event shall be construed as or be deemed an admission or concession by the Defendants of the truth of any allegation or claim in the third amended complaint and all such

allegations are expressly denied. Nothing in this Agreement shall constitute an admission of liability or be used as evidence of liability against the Defendants for any purpose whatsoever. Neither this Agreement nor any of the negotiations connected with it may be offered or received in evidence for any purpose other than for purposes of the proceedings to approve this Agreement and to obtain dismissal of the underlying lawsuit or to otherwise enforce this Agreement.

NOW, THEREFORE, in consideration of the covenants and agreement set forth herein, and of the releases and dismissals of the claims described below, the Parties agree to this settlement, subject to Court approval, under the following terms and conditions:

(collectively referred to as "Razor"), and DJ Construction Co, LLC ("DJ").

III. MONETARY RELIEF

A. SETTLEMENT FUND

3.1. Settlement Fund Amount: The Defendants agree to create a settlement fund in the amount of Four Million, Three

Hundred and Fifty Thousand Dollars (\$4,350,000.00). Attorneys' fees, Class Representative Incentive Payments, expenses of settlement administration and payments to Class Members will be made from the settlement fund. The Defendants will make the following payments into the settlement fund:

- (a) \$2,025,000.00 by or on behalf of Georgia-Pacific
- (b) \$1,406,500.00 by or on behalf of Del Webb;
- (c) \$575,000.00 by or on behalf of Razor;
- (d) \$210,000.00 by or on behalf of DJ; and
- (e) \$133,500.00 by or on behalf of Grayco.

Under no circumstance shall any Defendant be required to pay more than the amount listed above.

B. DISTRIBUTION OF THE SETTLEMENT FUND

3.2. Attorneys' Fees, Costs and Expenses: Class Counsel may make application to the Court for an award of attorneys' fees not to exceed thirty-five percent (35%) of the settlement fund (\$1,522,500) plus expenses of \$336,981.96 as itemized in Exhibit 1 attached hereto. The Defendants agree not to oppose such application for attorneys' fees, costs and expenses. The attorneys' fees, costs and expenses awarded by the Court, not to exceed \$1,859,481.96, shall be paid solely out of the settlement fund and shall fully satisfy any obligation of the Defendants for attorneys' fees, costs and expenses arising out of and in connection with this litigation. Class Counsel represent that

no attorneys' lien or other claim on the settlement fund or on the attorneys' fees award has been filed or threatened to be filed. Class Counsel and the Plaintiffs agree that the denial, downward modification or failure to grant the request for attorneys' fees, costs and expenses shall not constitute grounds for modification or termination of the Agreement.

3.3. Class Representative Incentive Payments: Class Counsel, on behalf of the Plaintiffs, may make application to the Court for Incentive Payments to the Plaintiffs in an amount not to exceed \$20,000 as compensation for the time and effort undertaken by the Plaintiffs in pursuing this litigation. The payments shall be allocated \$5,000 to Nancy Lancaster; \$5,000 to Art and Jeannett Holland, jointly; \$5,000 to Wendell and Phyllis Turner, jointly; and \$5,000 to Jack and Joan Bennett, jointly. The Defendants agree not to oppose such an application for Incentive Payments. The Incentive Payments awarded by the Court, not to exceed \$20,000 in total, shall be paid solely out of the settlement fund and shall constitute the entire obligation of the Defendants to the Plaintiffs. The Plaintiffs agree that the denial, downward modification or failure to grant the request for Incentive Payments shall not constitute grounds for modification or termination of the Agreement.

3.4. Payment Administration: Class Counsel shall be responsible for administering the settlement, including mailing

the Court approved notice of settlement to the Class Members, sending checks to Class Members, processing and accounting for returned checks and making reports to the Court, all as described in Sections VI and VII below. Defendants do not object to Class Counsel requesting that \$150,000 be set aside from the settlement fund for the expense of claims administration and for contingencies as described in Section VII below.

3.5. Calculation of Class Member Payments: The amount available for distribution to Class Members shall be based upon the \$4,350,000 settlement fund less the amount awarded as attorneys' fees, costs and expenses, less the amount awarded to the Plaintiffs as Incentive Payments and less the amount of the expense of settlement administration. Assuming the Court awards Class Counsel \$1,859,481.96 for fees, costs and expenses, awards Plaintiffs \$20,000 collectively, and assuming the expenditure of \$150,000 for claims administration and contingencies, \$2,320,518.04 will be available for distribution to Class Members (the "Net Settlement Fund").

3.6. Method of Distribution to Class Members:

The Net Settlement Fund will be distributed to the Class Members in accordance with the square footage of each Class Home, as shown on Exhibit 2. The amount of PrimeTrim® on the class homes varies. However, Class Counsel and Plaintiffs

believe that a fair measure of each Class Member payment is the size of the Class Member's home, as the amount of PrimeTrim[®] on a home is generally proportionate to the size of the home.

Defendants do not object to this distribution method. Exhibit 2 shows the square footage for each Class Home and also shows the total, aggregate square footage of all the Class Homes, which is 1,707,061 square feet. This total, aggregate square footage is divided into the amount of the Net Settlement Fund (i.e., \$2,320,518.04) to arrive at a per-square-foot allocation of the Net Settlement Fund, which rounded to the nearest hundredth, is \$1.36. As shown in Exhibit 2, the per-square-foot allocation is then multiplied by the square footage of each Class Member's home to arrive at the allocation of the Net Settlement Fund for each Class Member. By way of example, a Class Home of 1,500 square feet would be allocated \$2,040.00 of the Net Settlement Fund. In actually distributing the Net Settlement Fund, one total check will be mailed (via certified mailing/return receipt requested), payable to the Class Member(s), at the first owner(s) mailing address as shown on the official records of the Beaufort County property taxing authority. Where a Class Home is owned by more than one Class Member, the one total check representing the allocation of the Net Settlement Fund for the Class Home will be jointly payable to all Class Member owners; such that each Class Member would have to endorse the check.

Accordingly, by way of example, in the case of a Class Home entitled to a total payment of \$2,040.00 that is owned by one Class Member, one total check in the amount of \$2,040.00 would be mailed (via certified mailing/return receipt requested) to the Class Member's mailing address as shown on the official records of the Beaufort County property taxing authority, made payable to that single Class Member. In the case of a Class Home owned by more than one Class Member, one total check in the amount of \$2,040.00 would be mailed (via certified mailing/return receipt requested) to the first owner's mailing address as shown on the official record of the Beaufort County property taxing authority, made payable to all Class Member owners of the Class Home, such that each Class Member would have to endorse the check. Although only one total check would be mailed, a letter (also sent certified mail/return receipt requested) would also be sent, at the same as time as the check is mailed, to any and all other Class Member's mailing address listed on the official records of the Beaufort County property taxing authority.

IV.

CLASS SETTLEMENT PROCEDURES

4.1. Settlement Approval: No later than fourteen (14) days after the signing of this Agreement, Class Counsel shall move, with the support of the Defendants, for an order

preliminarily approving this Class settlement as fair, just, reasonable and adequate, approving Class Notice to the Class Members as described below, and setting a hearing to consider Final Approval of the settlement and any objections thereto at a date ninety (90) days after Preliminary Approval or as soon thereafter as the Court permits. Class Counsel shall also move, with the support of the Defendants, for an order staying the Action pending final approval of the settlement.

4.2. Final Approval Order and Judgment: At or before the hearing on Final Approval, Class Counsel, with the support of the Defendants, shall move for entry of an order of Final Approval granting Final Approval of this settlement and holding this Agreement to be final, fair, reasonable, adequate, and binding on all Class Members and ordering that the settlement relief be provided as set forth in this Agreement, approving the releases as set forth in Section V below, approving Class Counsel's application for attorneys' fees, costs and expenses and Plaintiffs' Incentive Payments, and finally dismissing this case with prejudice pursuant to a final judgment. The final judgment will provide that other than as set forth in this Settlement Agreement each Party shall bear its own attorneys' fees, costs and expenses.

4.3. Objections: The Class Notice attached as Exhibit 3 shall be mailed to Class Members and posted on the Settlement

Website and shall advise Class Members of the terms of the settlement and of their right to object to this settlement individually or through counsel. If any Class Member wishes to object to the settlement and/or to be heard, he or she must file a written notice of objection with the Court on or before the date contained in the Class Notice, which shall be at least sixty (60) days after Preliminary Approval, and serve the same by mail upon Defendants' Counsel and Class Counsel. Each objection shall state the name, address and telephone number of the Class Member, shall verify that the objector is a member of the Class, and shall provide a detailed statement of any objection asserted, including the grounds therefor and reasons, if any, for requesting the opportunity to appear and be heard at the Final Approval hearing.

4.4. Effect if Settlement Not Approved or Agreement is Terminated: This Agreement is being entered into for purposes of settlement only. In the event that Final Approval of this settlement does not occur for any reason, then no term or condition of this Agreement, or any draft thereof, or discussion, negotiation, documentation, or other part or aspect of the Parties' settlement discussions shall have any effect, nor shall any such matter be admissible in evidence for any purpose in the Action, or in any other proceeding; the Action may continue as if the settlement had not occurred; and any

order conditionally certifying or approving a settlement shall be vacated. The Parties agree that all drafts, discussions, negotiations, documentation or other information prepared in relation to this Agreement and the Parties' settlement discussions (collectively, "Confidential Settlement Information") shall be treated as strictly confidential and may not, absent a court order, be disclosed to any person other than the Parties' counsel and the Parties, and only for purposes of the settlement of this Action.

V.
RELEASES

5.1. Release by Class Members (including Plaintiffs):

Upon Final Approval, each member of the Class and the Plaintiffs, on behalf of themselves and any person claiming by or through them as executor, heir, administrator, devisee, director, officer, employee, agent, servant, predecessor, successor in interest, representative of any kind, shareholder, partner, owner of any kind, affiliate, subrogee, assignee, subsequent purchasers of Class Members' homes or insurer shall be deemed to, and shall have fully, completely and forever released and discharged the Defendants, all of their present or former parents, subsidiaries and affiliates, and all of their collective and respective present or former officers, directors, members, employees, agents, contractors, attorneys, insurers,

co-insurers, reinsurers, executors, heirs, administrators, predecessors, successors and assigns of and from any and all Settled Claims and related subrogation claims.

To the extent any Settled Claims may be asserted against persons or entities in the chain of distribution, installation or finishing of PrimeTrim®, Plaintiffs and Class Members shall likewise be deemed to, and do thereby, fully, completely and forever release and discharge those persons or entities from any and all such Settled Claims from the beginning of time through the Effective Date of this Agreement.

5.2. Release by Defendants: Defendants have entered into a separate settlement agreement(s) among themselves that is contingent upon the final Court approval of this Agreement.

5.3. Nature of Release: The release and discharge of any and all Settled Claims as provided herein is intended to be a full and complete release by Plaintiffs and Class Members, including subsequent purchasers of Class Members' homes, and shall be construed as broadly as reasonably possible. In the event of any dispute as to the scope of the releases and discharges contemplated herein, it is the intention of each Party that all claims of Plaintiffs and Class Members, including subsequent purchasers of Class Members' homes, against any other Party be released and forever discharged.

5.4. Covenant Not to Sue by Class Members (including Plaintiffs): The Plaintiffs and Class Counsel represent that, to the best of their knowledge and belief, that with the exception of this Action, no Plaintiff or Class Member has filed or caused to be filed any lawsuit, complaint, or charge with respect to any Settled Claim. The Plaintiffs and each Class Member, including subsequent purchasers of Class Members' homes, hereby covenant and promise never to institute, maintain, prosecute, encourage or contribute to any lawsuit, complaint, or charge based on such claims, and that, as to any lawsuit, complaint or charge by a Plaintiff or Class Member, including subsequent purchasers of Class Members' homes, with respect to any Settled Claim that may now be pending or may, in the future, be brought or otherwise asserted, this Agreement shall constitute a complete defense and bar to such lawsuit, complaint, or charge.

5.5. No Admission of Liability: This Agreement reflects, among other things, the compromise and settlement of disputed claims among the Parties, and neither this Agreement nor the releases given herein, nor any consideration therefor, nor any actions taken to carry out this Agreement are intended to be, nor may they be deemed or construed to be, an admission or concession of any liability, or of the validity of any claim, or of any point of fact or law (including, but not limited to,

matters respecting class certification) on the part of any Party. The Defendants specifically deny the allegations of the third amended complaint. Neither this Agreement, nor the fact of settlement, nor the settlement proceedings, nor settlement negotiations, nor any related document, shall be used as an admission of any fault or omission by the Released Parties, or be offered or received in evidence as an admission, concession, presumption, or inference of any wrongdoing by the Released Parties in any proceeding, including administrative proceeding.

VI.
CLASS NOTICE

6.1. Within fourteen (14) days after the entry of the order of Preliminary Approval, Class Counsel shall design and provide to Defendants' counsel a proposed Settlement Website, which shall contain the Class Notice set forth in Exhibit 3, this Settlement Agreement, a contact information page that includes the addresses and telephone numbers for Class Counsel, the signed order of Preliminary Approval, and Class Counsel's application for attorneys' fees, costs, expenses and Plaintiffs' incentive awards. Defendants' counsel shall have the right to comment on and approve the design of the Settlement Website. The Settlement Website shall remain active and accessible until thirty (30) days after the conclusion of the settlement administration.

6.2. Within thirty (30) days after Preliminary Approval, Class Counsel shall send the Class Notice via first-class United States mail in the form attached as Exhibit 3 to each Class Member's last known address as set forth in Exhibit 2. Class Counsel will track all returned undeliverable mail, will conduct one address search using credit bureau information and will remail to those Class Members whose addresses are found.

6.3. The Parties agree, and the Preliminary Approval and Final Approval orders shall state, that compliance with the procedures described in this section is the best notice practicable under the circumstances and shall constitute due and sufficient notice to the class of the terms of the Agreement, their right to object at the Final Approval hearing, and shall satisfy the requirements of the South Carolina Rules of Civil Procedure, the Constitution of the State of South Carolina, the United States Constitution and any other applicable law.

VII.

PAYMENT ADMINISTRATION

7.1. Within fourteen (14) days of the Effective Date the Defendants shall make the payments into the settlement fund in the amounts set forth in Section 3.1 by payment to the trust account of Class Counsel Young Clement Rivers, LLP. Class Counsel will hold the settlement fund in trust and will make

disbursements only in accord with the terms of the Settlement Agreement.

7.2. Within seven (7) days after the payments into the settlement fund have been made as set forth in Section 7.1 Class Counsel will disburse from the settlement fund the attorneys' fees, costs and expenses awarded by the Court pursuant to Section 3.2 and the class representative incentive payments awarded by the Court pursuant to Section 3.3.

7.3. Within twenty-one (21) days after the payments into the settlement fund have been made as set forth in Section 7.1, Class Counsel shall mail the settlement checks to Class Members in accord with the provisions of Section 3.6.

7.4. Class Members receiving checks shall have ninety (90) days from the date of mailing to negotiate their checks. Within one hundred and twenty (120) days of the date of mailing Class Counsel shall deliver to Defendants' counsel a list of those class members whose checks were not timely negotiated. The amount of all uncashed checks shall revert to the Contingency and Administration Fund.

7.5. Any Class Member who fails to timely negotiate his or her check, as provided above, shall be forever barred from receiving any compensation pursuant to this Agreement but will, in all other respects, be subject to and bound by the terms and conditions of this Agreement, the settlement and releases

contained herein, and all orders and judgments entered in this Action. In particular, each Class Member shall be deemed a Releasing Party whether or not they have negotiated the check within the time period provided in this Agreement.

VIII.

CONTINGENCY AND ADMINISTRATION FUND

8.1. As a contingency for some unforeseen event or exceptional circumstance, such as a Class Member that may be unintentionally excluded or a Class Home with a square footage that is demonstrably incorrect as shown on Exhibit 2, and to account for the cost and expense of administration of the disbursements to the Class Members, \$150,000.00 will be deducted from the settlement fund and held in Young Clement Rivers, LLP's trust account as the Contingency and Administrative Fund. In the event that a circumstance arises which calls for this fund to be drawn upon for a disbursement to a Class Member, Class Counsel will notify the Court and Defendants' counsel and request authority for disbursement to the Class Member as may be needed under the circumstances. Such claims will be dealt with on a first-come first-served basis. Should the number of such claims exceed the total amount of the Contingency and Administration Fund, the claims will be satisfied by proportionate payment of the available funds to the Class Members on the basis of the respective square footage of their

Class Homes. If, after the passage of 180 days from the Effective Date, funds remain in the Contingency and Administration Fund, Class Counsel shall petition the Court for approval of a disbursement to Class Counsel for costs or other expenses incurred in the administration of the settlement. If, after payment of such costs or other expenses to Class Counsel, funds still remain in the Contingency and Administration Fund, such funds, including amounts representing uncashed settlement checks, shall become Additional Net Settlement Proceeds and shall be promptly disbursed in equal shares to all the Class Members previously receiving a disbursement with checks mailed payable to the individual Class Members as set forth in Section 3.6. Class Counsel may request reimbursement for the anticipated cost of mailing the final round of checks. When those checks are distributed, it will exhaust the fund and conclude the settlement process. In no event shall the Defendants be obligated to pay or contribute any funds or amounts in addition to the amounts set forth in Section 3.1.

8.2. Within 270 days after the Effective Date, Class Counsel will make a Final Report to the Court accounting for the disbursement of all settlement proceeds in reasonable detail, including the amounts distributed to each Class Member, the amount distributed to Class Counsel, and an itemization of all returned checks.

8.3. The parties agree that once this Final Report is filed, the settlement administration shall be deemed concluded.

IX.

COMMUNICATION REGARDING THE SETTLEMENT

9.1. Plaintiffs, Class Counsel and Defendants' Counsel shall not affirmatively contact the news media, issue any press releases, hold press conferences in any media, conduct on camera, on air or web based interviews, or use any form of paid media or advertising to publicize, promote or characterize the settlement, the Parties or the Parties' counsel. In response to inquiries from anyone other than a Class Member, Plaintiffs, Class Counsel, and Defendants' Counsel agree to state only that the matter has been settled subject to approval by the Court and to refer such inquiries to the Settlement Agreement and make no further comment. In addition, Class Counsel and Plaintiffs Class Members agree not to criticize, disparage or denigrate any Defendant, any Defendant's products and/or any Defendant's conduct.

X.

ADDITIONAL PROVISIONS

10.1. Best Efforts: The Parties' counsel shall use their best efforts to cause the Court to give Preliminary Approval to this Agreement and settlement as promptly as practicable, to take all steps contemplated by this Agreement to effectuate the settlement on the stated terms and conditions, and to obtain

Final Approval of this Agreement. The Parties' counsel shall not undertake any efforts, directly or indirectly, to influence objections or participation in the settlement other than as expressly stated in this Agreement.

10.2. Change of Time Periods: The time periods and/or dates described in this Agreement with respect to the giving of notices and hearings are subject to approval and change by the Court or by the written agreement of Class Counsel and Defendants' counsel, without notice to Class Members; provided, however, that any such changes will be posted on the Settlement Website.

10.3. Time for Compliance: If the date for performance of any act required by or under this Agreement falls on a Saturday, Sunday or court holiday, that act may be performed on the next business day with the same effect as if it had been performed on the day or within the period of time specified by or under this Agreement.

10.4. Governing Law: This Agreement is intended to and shall be governed by the laws of the State of South Carolina, without regard to conflict of law principles.

10.5. Entire Agreement: With the exception of the settlement agreement between the Defendants as referred to in Section 5.2, the terms and conditions set forth in this Agreement constitute the complete and exclusive statement of the

agreement between the Parties relating to the subject matter of this Agreement, superseding all previous negotiations and understandings, and may not be contradicted by evidence of any prior or contemporaneous agreement. The Parties further intend that this Agreement constitutes the complete and exclusive statement of its terms as between the Parties, (except for the separate settlement agreement between the Defendants) and that no extrinsic evidence whatsoever may be introduced in any agency or judicial proceeding, if any, involving this Agreement. Any modification of the Agreement must be in writing signed by Plaintiffs, Class Counsel and Defendants' Counsel.

10.6. Advice of Counsel: The determination of the terms of, and the drafting of, this Agreement have been by mutual agreement after negotiation, with consideration by and participation of the Plaintiffs, the Defendants, and their respective counsel. The presumption found in law that uncertainties in a contract are interpreted against the party causing the uncertainty to exist is hereby waived by all Parties.

10.7. Binding Agreement: This Agreement and each of its terms and conditions shall be binding upon and inure to the benefit of the respective heirs, successors and assigns of the Parties, including subsequent purchasers of Class Members' houses.

10.8. No Waiver: The waiver by any Party of any provision or breach of this Agreement shall not be deemed a waiver of any other provision or breach of this Agreement.

10.9. Execution in Counterparts: This Agreement shall become effective upon its execution by all of the undersigned. The Parties may execute this Agreement in counterparts and/or by fax or electronic mail, and execution of counterparts shall have the same force and effect as if all Parties had signed the same instrument.

10.10. Extensions of Time: The Parties reserve the right, by agreement and subject to the Court's approval, to grant any reasonable extension of time that might be needed to carry out any of the provisions of this Agreement.

10.11. Enforcement of this Agreement: The Court shall retain jurisdiction to enforce, interpret, and implement this Agreement.

10.12. No Assignment: Each Party represents, covenants, and warrants that he or it has not directly or indirectly assigned, transferred, encumbered, or purported to assign, transfer, or encumber any portion of any Settled Claim.

10.13. Remand: The Parties shall not seek Preliminary Approval or Final Approval of this Settlement Agreement until an order has issued from the Supreme Court of South Carolina in Lancaster, et. al. v. Georgia-Pacific, et. al., Case No. 2013-

000175, remanding the case to the Court for the purpose of approving a class settlement in this Action.

10.14. Recording: It is further agreed that Plaintiffs and Class Counsel shall execute a Memorandum of Settlement Agreement and Release in recordable form in the form attached hereto as Exhibit 4, to be recorded in the office of Register of Deeds for Beaufort County to provide record notice to subsequent purchasers of any Class Member's house or Plaintiff's house that the Settled Claims described herein have been forever released.

10.15. Notice to Subsequent Purchasers: Prior to the sale of any Class Member's house or Plaintiff's house, the Class Member or Plaintiff that owns the house shall inform the purchaser/buyer of the home of this Action and this Settlement Agreement (and the included release), and shall specifically inform the purchaser/buyer that all claims related to PrimeTrim and all claims that were or which could have been asserted in the third amended complaint in this Action have been forever released.

10.16. Notices: All notices to the Parties or counsel required by this Agreement, shall be made in writing and communicated by mail and fax or email to the following addresses:

IN THE COURT OF COMMON PLEAS

FOURTEENTH JUDICIAL CIRCUIT

CASE NO. 2007-CP-07-3166

2013 OCT 23 PM 3:30
BEAUFORT COUNTY
CLERK OF COURT
**FINAL ORDER APPROVING CLASS
ACTION SETTLEMENT; STAYING
ATTORNEYS' FEES, COSTS AND
EXPENSES; AND DISMISSING CLASS
ACTION WITH PREJUDICE**

WHEREAS, to settle this class action, Plaintiffs and the Defendants (hereinafter collectively referred to as "Settling Parties") entered into a Settlement Agreement dated July 1, 2013, together with related exhibits (collectively, the "Settlement Agreement"), which has been filed and is attached to this Court's "Order Preliminarily Approving Class Action Settlement and Staying Action Pending Final Approval" (hereinafter referred to as "Preliminary Approval Order") and which is incorporated herein by reference.;

WHEREAS, the Court entered the Preliminary Approval Order on July 24, 2013 ordering notice be sent to class members; providing those persons with an opportunity to object

R

to the proposed settlement; and scheduling a Fairness Hearing; WHEREAS, the Court has received an Affidavit from Joseph E. DaPore, Esquire, Class Counsel dated October 8, 2013 affirming that the "Notice of Proposed Class Action Settlement and Hearing" was sent to each class member in accordance with the "Order Preliminarily Approving Class Action Settlement and Staying Action Pending Final Approval" entered by the Honorable Roger M. Young, Sr. on July 24, 2013. The Affidavit further affirms that Amanda K. DeMato legal assistant in class counsel's office has examined the records of the Clerk of Court in the above-captioned matter and that no objections to the settlement by any class member had been filed or received as of October 4, 2013;

WHEREAS, this Court has presided over this litigation for years, has carefully reviewed the papers filed in connection with these proceedings, has considered all supporting evidence in the record as presented by counsel, and has considered the oral arguments made during the proceedings;

WHEREAS, the Court held a Fairness Hearing on October 18, 2013, to determine whether to give final approval to the proposed settlement; and

WHEREAS, the Settling Parties have complied with the Preliminary Approval Order and the Court is of the opinion that the Settlement Agreement is fair, adequate, and reasonable, and that it should be approved.

NOW THEREFORE, based on the submissions of the parties and Class Members, the presentations and testimony presented at the Fairness Hearing, the pleadings on file, and the argument of counsel, the Court hereby finds, and it is hereby ORDERED, ADJUDGED AND DECREED, as follows:

1. **Jurisdiction.** The Court has personal jurisdiction over all Class Members and has

subject matter jurisdiction over this action, including, without limitation, jurisdiction to approve the proposed settlement, to grant final certification of the Class, to settle and release all claims arising out of the transactions alleged in Plaintiffs' complaint or the Released Claims and Transactions, and to dismiss this action on the merits and with prejudice.

2. **Class Notice.** The Court finds that the distribution of the Notice of Proposed Class Action Settlement and Hearing (hereinafter "Settlement Class Notice"), in accordance with the terms of the Settlement Agreement and this Court's Preliminary Approval Order, as explained by Class Counsel at the Fairness Hearing, and as explained in the documents filed before the Fairness Hearing:

- a. constituted the best practicable notice to Class Members under the circumstances of this action;
- b. was reasonably calculated, under the circumstances, to apprise Class Members of (i) the proposed settlement of this pending class action, (ii) their right to object to any aspect of the proposed settlement (including, the fairness, reasonableness or adequacy of the proposed settlement, the adequacy of the Class's representation by Plaintiffs or Class Counsel, the negotiated attorneys' fees and expenses to Class Counsel, and/or the incentive awards to Plaintiffs), and (iii) their right to appear at the Fairness Hearing (either on their own or through counsel hired at their own expense);
- c. was reasonable and constituted due, adequate and sufficient notice to all persons entitled to be provided with notice, and
- d. fully satisfied the requirements of the Due Process Clause of the United States

Constitution, the South Carolina Rules of Civil Procedure, the Rules of this Court, and any other applicable law.

3. **No Objectors.** Class counsel represents that a check of the clerk's office indicates that no appearance has been made on behalf of any objector nor were any written objections by class members served on class counsel or filed with the Clerk's Office in Beaufort.
4. **Final Settlement Approval.** The terms and provisions of the Settlement Agreement, including all amendments and exhibits, have been entered into in good faith after lengthy, arms-length negotiations, and are hereby fully and finally approved as fair, reasonable and adequate as to, and in the best interests of, Plaintiffs and the Class Members and in full compliance with all applicable requirements of the South Carolina Rules of Civil Procedure and any other applicable law. The Settling Parties and Class Members are hereby directed to implement and consummate the Settlement Agreement according to its terms and provisions, and any and all objections to the Settlement Agreement are overruled.
5. **Settlement Amount.** Plaintiffs have reached a full, final and complete settlement with the Defendants in the amount of \$4,350,000.00 ("Settlement Fund"). Attorneys' fees, Class Representative Incentive Payments, expenses of settlement administration, and payments to Class Members will be made from the settlement fund.
6. **Binding Effect.** The terms of the Settlement Agreement and of this Order shall be forever binding on Plaintiffs and all other Class Members, as well as their heirs, executors and administrators, successors and assigns, and those terms shall have *res judicata* and other preclusive effect in all pending and future claims, lawsuits or other proceedings maintained by or on behalf of any such persons, to the extent those claims,

lawsuits or other proceedings involve matters that were or could have been raised in this action or are otherwise encompassed by the Release described in the next paragraph of this Order.

7. **Release.** The releases and the covenants not to sue contained in the Settlement Agreement, are expressly incorporated herein in all respects, are effective upon entry of this Order, shall operate as a full and final general release of all claims raised by the Complaint, and forever discharge the released parties from any claims, liabilities, issues or matters arising from or related to the Released Claims.
8. **Enforcement of Settlement.** Nothing in this Order shall preclude any action to enforce the terms of the Settlement Agreement.
9. **Attorneys' Fees and Expenses, and Incentive Award.** Class Counsel has petitioned the Court for an award of attorneys' fees not to exceed thirty-five percent (35%) of the settlement fund as previously set forth in the preliminarily approved Settlement Agreement and pursuant to a written fee agreement with the Class Representatives, in the amount of \$1,522,500.00, plus expenses of \$336,981.96. The Court finds that Class Counsels' contingency fee is fair, reasonable, and meets the criteria of *Baron Data Systems, Inc. v. Loter*, 297 S.C. 382, 377, S.E.2d 296 (1989). The attorneys' fees, costs and expenses requested by Class Counsel are approved. The awarded amount of \$1,859,481.96, shall be paid solely out of the settlement fund. Further, the Incentive Award proposed by Class Counsel and included in the Settlement Agreement is fair and reasonable, is hereby approved, and shall be paid solely out of the settlement fund.
10. **No Other Payments.** The preceding paragraph of this Order covers, without limitation, any and all claims for attorneys' fees and expenses, costs or disbursements incurred by

Class Counsel or any other counsel representing Plaintiffs or Class Members, or incurred by Plaintiffs or the Class Members, or any of them, in connection with or related in any manner to this action, the settlement of this action, the administration of such settlement, and/or the Released Claims.

11. Retention of Jurisdiction. The Court has jurisdiction to enter this Order. Without in any way affecting the finality of this Order, this Court expressly retains jurisdiction as to all matters relating to the administration, consummation, enforcement and interpretation of the Settlement and of this Order, including, without limitation, for the purpose of:

- a. enforcing the terms and conditions of the Settlement Agreement and resolving any disputes, claims or causes of action that, in whole or in part, are related to or arise out of the Settlement Agreement, this Order (including, without limitation, whether a person or entity is or is not a Class Member; whether claims or causes of action allegedly related to this case are or are not barred or released by this Order, etc.);
- b. entering such additional orders, if any, as may be necessary or appropriate to protect or effectuate this Order and the Settlement Agreement, or to ensure the fair and orderly administration of the settlement; and
- c. entering any other necessary or appropriate orders to protect and effectuate this Court's retention of continuing jurisdiction.

12. No Admissions. Neither this Order, nor the Settlement Agreement (nor any other document referred to herein, nor any action taken to negotiate, effectuate and implement the Settlement Agreement) is, may be construed as, or may be used as an admission or concession by or against the Defendants as to the validity of any claim or any actual or

potential fault, wrongdoing or liability whatsoever. Additionally, neither the Settlement Agreement nor any negotiations, actions, or proceedings related to it, shall be offered or received in evidence in any action or proceeding against any Defendant hereto in any court, administrative agency or other tribunal for any purpose whatsoever, except to enforce the provisions of this Order and the Settlement Agreement; provided, however, that this Order and/or the Settlement Agreement may be filed and used in any action against or by the Settling Defendants to support a defense of *res judicata*, collateral estoppel, release, waiver, good-faith settlement, judgment bar or reduction, full faith and credit, or any other theory of claim preclusion, issue preclusion or similar defense or counterclaim.

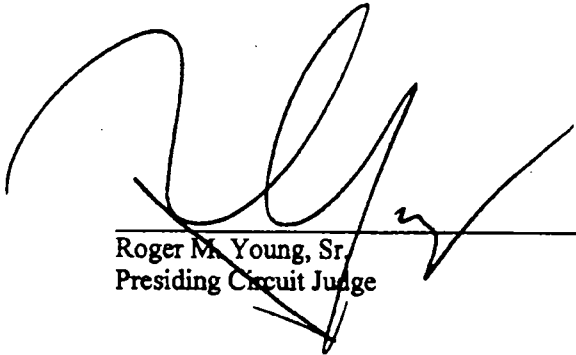

13. **Dismissal of Action.** This action, including any and all individual and Class claims included therein, is hereby dismissed on the merits and with prejudice against Plaintiffs and all other Class Members, without fees or costs to any party except as otherwise provided in this Order.

IT IS SO ORDERED.
