

Dear Ms. Allen,

September 3, 2014

I have received your e-mail dated September 2, 2014, regarding the transcript requested by Mr. J. Stephen Welch in the case of Cecilia Jackson vs. Edgefield Medical Clinic, PA, Case No. 2009-CP-19-0276. That transcript has been sent to Mr. Welch today, September 3, 2014; however, it is late. It should have been sent to Mr. Welch by August 21, 2014. The reason it is late is because I used the services of a scopist and that scopist did not hold up her end of the deal as far as when she would return the transcript to me. Also, when I finally did receive it back from the scopist, there were many, many spelling and grammatical errors. I then had to spend many days proofreading the transcript and fixing the errors so that Mr. Welch could receive a proper transcript.

I apologize for any inconvenience this may have caused you and Mr. Welch.
