Re: Zavan Dishawn Johnson v. Thomas "TC" Smalls
Appellate Case No. 2013-002557

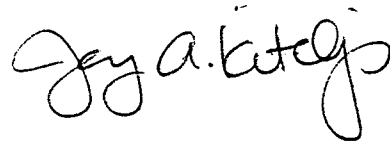

Dear Counsel:

Upon reviewing your record on appeal and motion, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- An unbound copy, and 14 bound copies, must be provided as required by Rule 267(d), SCACR.
- The binding does not comply with Rule 267(d), SCACR. The pages must be securely fastened on the left margin.
- The covers must comply with Rule 267(e), SCACR. Specifically, there are none. They must be white and of at least 50 weight paper.

We are returning your documents to you since they, as presented, do not constitute a proper record on appeal as outlined in the South Carolina Appellate Court Rules. All final briefs are to be served and filed within 20 days of service of the corrected record on appeal.

Very truly yours,

A handwritten signature in black ink, appearing to read "Jay A. Kiteley". The signature is written in a cursive, flowing style with a large initial "J" and "K".
