Motion for Reconsideration

I would like to request a motion for reconsideration in regards to the order filed 2.21.14. Obviously there's been a mistake on the clerk of Court because I file a proof of service with their office and upon the respondent in a timely matter. However my case has been dismissed. Now I don't understand the mix up but I was giving 10 days from the 4th of February and I filed before that deadline. So I'm asking the Court to please support this reconsideration because obviously there's been a mistake.
