Re: Your case

Dear Mr. Singletary:

Enclosed is a copy of the Order of the Supreme Court denying our Petition for Writ of Certiorari, and granting the petition to be relieved. This means that you have now exhausted your state court remedies.

There is now a **one-year statute of limitations for filing an application for a writ of habeas corpus in federal court**. However, please be aware that the time between your direct appeal becoming final, and the date your PCR application is filed **will count against your federal habeas statute of limitations in the future**. This statute of limitations is strictly enforced. I have enclosed a copy of the pertinent section of that statute for you to review. I am closing your file with this letter. Please understand that it is **your obligation alone** to ensure that a federal habeas application is timely filed if you want to continue challenging your conviction. Feel free to contact me if you have any questions, but writing to me **does not stay** the applicability of the statute of limitations. I do wish you the best in the future.

Sincerely,

Susan B. Hackett
Appellate Defender
