Appellate Case No. 2013-001682

---

ORDER

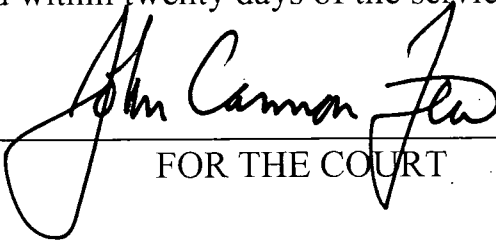

---

Respondents have filed a "Motion to Compel the Appellant to Comply with the Appellate Court Rules in Regards to the Reply Brief and the Record on Appeal."

Respondents argue Appellant failed to include all documents designated by Respondents in the Record on Appeal, and Appellant included several documents that were not designated in the parties' Designations of Matter to be Included in the Record on Appeal. Respondents also request that the court strike Appellant's Initial Reply Brief, arguing it raises a new issue.

Respondents' motion is granted as to the request to strike the Record on Appeal. Within thirty days, Appellant shall serve all Respondents with a paper copy of an Amended Record on Appeal, which includes all matter designated by the parties in the Designations of Matter and excludes all matter not designated. Respondents' motion is otherwise denied.

Final Briefs shall be served and filed within twenty days of the service of the Amended Record on Appeal.
