

The South Carolina Court of Appeals

The State, Respondent,

v.

George White, Appellant.

Appellate Case No. 2013-000638

ORDER

After the court granted two extension requests, Appellant's initial reply brief was due on August 27, 2014. The order granting the second extension provided that "any further extension must be based on a showing of good cause." On August 27, 2014, the court received Appellant's motion for a third extension. While the court is sensitive to the circumstances that were the basis for granting the first two extensions of time, we are concerned with what appears to be an inadequate explanation of good cause in this third request. Nevertheless, we grant Appellant's motion. Appellant's initial reply brief is due to be served and filed by September 8, 2014. No further extensions will be granted for the reasons Appellant cited in its previous extension requests.
