

# The South Carolina Court of Appeals

Darrell Efird, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2010-178866

---

## ORDER

---

This matter is before the Court on a pro se petition for a writ of certiorari. Petitioner raised multiple issues in his petition, but we grant certiorari only as to the following two issues:

1. Whether trial counsel was ineffective for failing to object to improper comments and arguments in the State's closing argument?
2. Whether trial counsel was ineffective for failing to object when the State's expert witness gave arguably improper corroboration testimony?

We deny certiorari as to all other issues raised in the petition. The parties shall proceed to serve and file the appendix and briefs as provided by Rule 243(j), SCACR.
