Re: Parkway Plaza v. Carroll Wayne Hill, et. al.

Dear Ms. Allen:

I am writing in response to correspondence you copied me on from Mr. Kenneth Moss to you regarding the status of the above transcript. Mr. Moss is correct, I have filed two extensions and am late in filing a third, but I have filed for a third extension. Mr. Moss has neglected to contact me regarding the status of this transcript. If he had, I would have told him that due to the high typing load we have and being assigned in court every week, I have not reached his transcript request. He has my address, phone number, and email, and I have heard nothing from his office. As per our rules, we are to type transcripts in the order we receive them -- unless they are expedited; which this was not -- and I have complied with that.

Also, I emailed Mr. Moss on Friday, August 29, 2014 informing him that I am now in the position to begin preparing his transcript request and asked for a deposit. I can provide that email if necessary. If my extension is approved I will have it prepared by the 23rd of September. If attorneys would contact their court reporters regarding any questions they have on transcript requests, we could answer a lot of their questions.

Kindly,

A handwritten signature in cursive script that reads "Frances Ray".
