RE: Update on The Record on Appeal.

RE: Gertrude Shiver v. Palmetto Health Richland, Employer, Key Risk Management Services, Inc., TPA Palmetto Hospital Trust Services, Carrier, Trident Regional Medical Center, Employer, Key Risk Management Services, Zurich American Insurance Company, Carrier. Appellate Case No. 2013000887.

Dear Ms. Kitchings,

I talked to Ms. Stormey on Friday, September 5, 2014, about the approval of the extension for The Record on Appeal and she said that it was before the Court. I was trying to be finished by today, but unfortunately, I am not nearly finished yet.

I am still taking my physical therapy three days a week in addition to taking my home exercises that I am required to take. I am also receiving treatment for my back and I have to receive some treatment for my neck. I am still trying to finish putting my Record of Appeal together but I am still not finished yet because of the time that I have to attend my therapy sessions and the treatments for my back injury, etc.

I still have not received the documents that I have requested from the opposing attorneys. The addition that I am going to make to my Initial Brief is not going to affect the records that they want to include in the Record on Appeal. I checked with the Appellate Court rules, but I still didn't see how many days that I had to add the information to the Initial Brief.

I appreciate the Court for having patience with me with while I am trying to deal with my injuries from three accidents and my physicians' appointments, treatments, and therapy, and medical care. I am still trying to get my documents together but it is taking me more time because of my health problems from the accidents.

I am trying to finish my Record on Appeal because I don't want to lose my Appeal Process. I am trying to go as fast as I can but I have to keep up with my therapy and treatments for my injuries.

I have an extra check in the amount of \$25.00 at the Court if I need to submit another fee

RECEIVED

Yours truly,
