Re: Koon v. Thomas Jackson Construction; Case Number 2014-001215

Dear Ms. Kitchings:

Please allow this letter to serve as the Respondent's First Request for an Extension of Time to file and serve its Initial Brief and Counter Designation. I am requesting a thirty (30) day extension of time due to my current caseload. We had previously submitted a Consent Order for Extension which was signed by the Appellant's attorney giving their consent to an extension until October 15, 2014. I have spoken with Coleman Lawrimore, attorney for the Appellant and he had not expressed any objections to the extension of time. If you require any type of consent from the Appellant, please let me know.

If you require any additional information or have any questions or concerns, please let me know.

Yours very truly,

Jennifer Dowd Nichols
