

The South Carolina Court of Appeals

State of South Carolina, Respondent,

v.

Robert Odell Brown, Appellant.

Appellate Case No. 2013-001411

ORDER

Appellant has filed a motion to unseal portions of the personnel files of Spartanburg County Sheriff's Deputies Brad James, Jason Bryant, and Lorin Williams, which were ordered sealed by the trial court. Appellant has also filed a motion to transport the sealed documents to this court. Appellant's motion to transport is granted. Pursuant to Rule 210(f), SCACR, it is ordered that the Spartanburg County Clerk of Court mail the sealed personnel files to this court by certified mail within ten days. Appellant's motion to unseal is granted to the extent that Appellant requests an opportunity to review the sealed documents to determine whether any issue relating to them should be included in Appellant's direct appeal. This court will make the sealed documents available for review by the parties' counsel. Should either party seek to include any portion of the sealed documents in their designation of matter to be included in the record on appeal, nothing prevents the other party from filing a motion to seal at that time.
