Re: In the Matter of James Trippe, III
Appellate Case No. 2014-001401

Dear Counsel:

We have received a notice of appeal from each of you. Because the transcript has been ordered and received by counsel for the appellant/respondent in this matter, the Court expects each party to serve and file their respective appellant's initial briefs and designations of matter no later than September 26, 2014. If either party would like to request an extension of this due date, each may file a request for an extension of time within ten (10) days. Otherwise, the Court will expect the appellant's initial brief and designation of matter of the appellant/respondent and the appellant's initial brief and designation of matter of the respondent/appellant to be timely served and filed by September 26, 2014.

Very truly yours,

V. Claire Allen, Deputy
CLERK
