Re: The State v. Gowndell D. Cades  
Appellate Case No. 2013-002327

Dear Counsel:

According to our records the initial brief of appellant and designation of matter were due to be served and filed no later than August 25, 2014. This Court sent a letter dated September 9, 2014 requesting a status of the initial brief of appellant and designation of matter. The Court has received your motion requesting an extension to file the initial brief of appellant and designation of matter, dated September 24, 2014. This Court will not take any action on this motion until a motion to file the extension request out of time is received.

Very truly yours,
