Appellate Case No. ~~2013~~ 13-002439

Trial Court Case Co. 2007-CP-42-3478

Dear Ms. Allen:

We have received part of the trial transcript. We didn't know until we had finished reading the transcript that we did not get all of it. We got in touch with the court reporter that prepared the transcript in this matter. She said she had prepared the transcript for someone else a long time back and this was all they had asked her to prepare. What the other person had asked her to prepare is what was sent to us. We did not know that we didn't have all of the transcript until we finished reading it.

We didn't receive anything related to what the attorneys and Judge Cole said to the jury on closing. We told the court reporter that we need to know what was said to the jury on closing. She said she would prepare the remainder of the transcript. We have been waiting several weeks for her to get the time to finished it. She let us know a few days ago what her fee would be for this. We mailed her a check for the remainder of the transcript on September 2, 2014.

We should be receiving the remainder of the transcript soon. We will send this to you when we receive it.

Sincerely,

*Ray Long Mary Long*
