

# The Supreme Court of South Carolina

Tyri Landron, Petitioner,

v.

State of South Carolina, Respondent.

Appellate Case No. 2014-002086

Lower Court Case No. 2013CP2401371

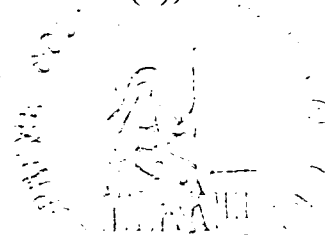

---

## ORDER

---

Petitioner has served and filed a document dated September 18, 2014. Since appellate review in a post-conviction relief action is commenced by serving and filing a notice of appeal, this document has been construed as a notice of appeal.

Further, the arguments contained in the document have been construed as the explanation required by Rule 243(c) of the South Carolina Appellate Court Rules (SCACR). In this explanation, petitioner has failed to show that there is an arguable basis for asserting that the determination by the lower court was improper. Accordingly, this is dismissed and the remittitur will be sent as provided by Rule 221(b), SCACR.
