4.2 Pre-construction estimates for construction costs and coordination are approximately (*236,544*)

4.3 The Owner and the Contractor acknowledge that the Owner will pay a sum of (*0*) upon signing of this contract and before construction management and supervision begins as a deposit and part of the total fees of this contract.

ARTICLE 5. PROGRESS PAYMENTS

5.1 The Owner will make payments to the contractor for construction management and supervision services every two weeks. Owner shall make payments to contractor within (*7*) after request by contractor. Should the owner fail to make payment, contractor may charge a penalty of (*15%*) annually upon the unpaid amount until paid.

5.2 If payment is not received by the Contractor within (*12*) days after delivery of payment demand for services satisfactorily completed, contractor shall have the right to stop construction management and supervision or terminate the contract at his option. Termination by Contractor under the provisions of this paragraph shall not relieve the Owner of the obligations of payments to Contractor for that part of the services performed prior to such termination. Termination by Owner under the provisions of this paragraph shall not relieve the Owner of the obligations of payments to Contractor for that part of the services performed prior to such termination.

ARTICLE 6. DUTIES OF THE CONTRACTOR

6.1 All construction shall be in accordance to the provisions of the plans and specifications. All systems shall be in good working order.

6.2 All construction shall be completed in a workman like manner, and shall comply with all applicable national, state and local building codes and laws.

6.3 All construction shall be performed by appropriately licensed individuals to perform their said work, as outlined by law.

6.4 Contractor shall obtain all permits necessary for the work to be completed.

ARTICLE 7. CHANGE ORDERS AND FINISH SCHEDULES

7.1 A Change Order is any change to the original plans and/or specifications. All change orders need to be agreed upon in writing, including cost, additional time considerations, approximate dates when the work will begin and be completed, a legal description of the location where the work will be done and signed by both parties. Additional time needed to complete change orders shall be taken into consideration in the project completion date.

7.2 Completed Finish Selection Schedules shall be submitted to the Contractor as follows:

7.2.1 Schedule #1 within *2* weeks after site clearing begins. *Brick color, shingle color*

7.2.2 Schedule #2 within *4* weeks after site clearing begins.

7.3 Any delays or changes in finish selection schedules will delay the projected completion date.

ARTICLE 8. INSURANCE

8.1 The Owner will keep in force a Builder's Risk Insurance Policy on the said property to protect both owner's and contractor's interests until construction is completed.

8.2 The Owner will purchase and maintain property insurance to the full and insurable value of the project in case of a fire, vandalism, malicious mischief or other instances that may occur.

8.3 The Contractor shall purchase and maintain needed Workman's Compensation and Liability insurance coverage as required by law and deemed necessary for his own protection.

ARTICLE 9. GENERAL PROVISIONS

9.1 If conditions are encountered at the construction site which are subsurface or otherwise concealed physical conditions or unknown physical conditions of an unusual nature, which differ naturally from those ordinarily found to exist and generally recognized as inherent in construction activities, the Owner will promptly investigate such conditions and, if they differ materially and cause an increase or decrease in the Contractor's cost of, and/or time required for, performance of any part of the work, will negotiate with the Contractor an equitable adjustment in the contract sum, contract time or both.

ARTICLE 10. HAZARDOUS MATERIALS, WASTE AND ASBESTOS

10.1 Both parties agree that dealing with hazardous materials, waste or asbestos requires specialized training, processes, precautions and licenses. Therefore, unless the scope of this agreement includes the specific handling, disturbance, removal or transportation of hazardous materials, waste or asbestos, upon discovery of such hazardous materials the Contractor shall notify the Owner immediately and allow the Owner/Contractor to contract with a properly licensed and qualified hazardous material contractor. Any such work shall be treated as a Change Order resulting in additional costs and time considerations.

ARTICLE 11. ARBITRATION OF DISPUTES

11.1 Any controversy or claim arising out of or relating to this contract, or the breach thereof, shall be settled by arbitration administered by the American Arbitration Association under its Construction Industry Arbitration Rules, and judgment on the award rendered by the arbitrator(s) may be entered in any court having jurisdiction thereof.

ARTICLE 12. WARRANTY

12.1 Warranty of the construction project against defects in workmanship or materials utilized shall be handled between the Owner and Subcontractors and/or Suppliers directly without involving the Contractor. The manufacturers warranty will prevail. No legal action of any kind relating to the project, project performance or this contract shall be initiated by either party against the other party after (8 years) beyond the completion of the project or cessation of work.

13.1 Should the Owner or Contractor fail to carry out this contract, with all of its provisions, the following options and stipulations shall apply:

13.1.1 If the Owner or the Contractor shall default on the contract, the non-defaulting party may declare the contract is in default and proceed against the defaulting party for the recovery of all damages incurred as a result of said breach of contract, including a reasonable attorney's fee. In the case of a defaulting Owner, the Earnest money herein mentioned shall be applied to the legally ascertained damages.

13.1.2 In the event of a default by the Owner or Contractor, the non-defaulting party may state his intention to comply with the contract and proceed for specific performance.

13.1.3 In the case of a defaulting Owner, the Contractor may accept, at his option the earnest money as shown herein as liquidated damages, should earnest money not cover the expenses to date, the Contractor may make claim to the Owner for all work executed and for proven loss with respect to equipment, materials, tools, construction equipment and machinery, including reasonable overhead, profit and damages applicable to the property less the earnest money.

ARTICLE 14. ATTORNEY FEES

14.1 In the event of any arbitration or litigation relating to the project, project performance or this contract, the prevailing party shall be entitled to reasonable attorney fees, costs and expenses.

ARTICLE 15. ACCEPTANCE AND OCCUPANCY

15.1 Upon completion, the project shall be inspected by the Owner and the Contractor, and any repairs necessary to comply with the contract documents shall be made by the Contractor.

15.2 The Owner shall not occupy the property until final payment has been received by the Contractor and a Certificate of Occupancy has been obtained.

15.3 Occupancy of the project by the Owner in violation of Article 15.2, shall constitute unconditional acceptance of the project and a waiver of any defects or uncompleted work.
