Memorandum

Now Comes Petitioner Seeking Fairness and Due Process. Counsel appointed to represent Poe on PER appeal Robert Michael Dudek is in violation of rule 243d and is in fact delaying Poe's appeal for Writ of Certiorari.

Counsel Robert M. Dudek on appeal from denial of Post Conviction relief is required to brief arguable issues despite Counsel's beliefs to safeguard the right to appeal according to rule 71.19.

Here, indictments are invalid, ineffective assistance of Counsel. Several Merits Claims Needs to be filed in Post Conviction appeal an unnecessary delay prolonging Poe's incarceration and denying him due process, suffering Miscarriage of Justice.
