Dear Hon. Judge Few:

*Bismillah...* The Court has mismanaged my appeal.

Twice<sup>1</sup>, I wrote the Court to inquire about a motion fee refund for the Motion to Amend the Motion for Reinstatement. The Court and its staff have deliberately not read my communications correctly. Rather, the Clerk of Court sent twisted responses. I believe the Clerk of Court is applying varied levels of administrative treatment for a litigant vis-à-vis his/her status before the Court. As such, the Clerk of Court has undermined the authority of this Court to act judiciously and impartially.

Further, no U.S. Department of Justice investigation should have deterred this Court from upholding the constitutions of the United States and the State of South Carolina. The lower Court violated my human rights, robbed me like bandit and has evaded capture ever since and now the Court of Appeals repeats the same unlawful treatment and unethical business practices.

Therefore, pursuant to S.C. Code of Law § 30-4-30 I request to inspect and copy the "Oath of Office" for you, all the current Court of Appeals judges, active associate judges to the Court of Appeals, the Clerk of Court, and deputy clerks. If I have not heard from you regarding the availability of my request within 15 days, I will consider it approved.

Sincerely,

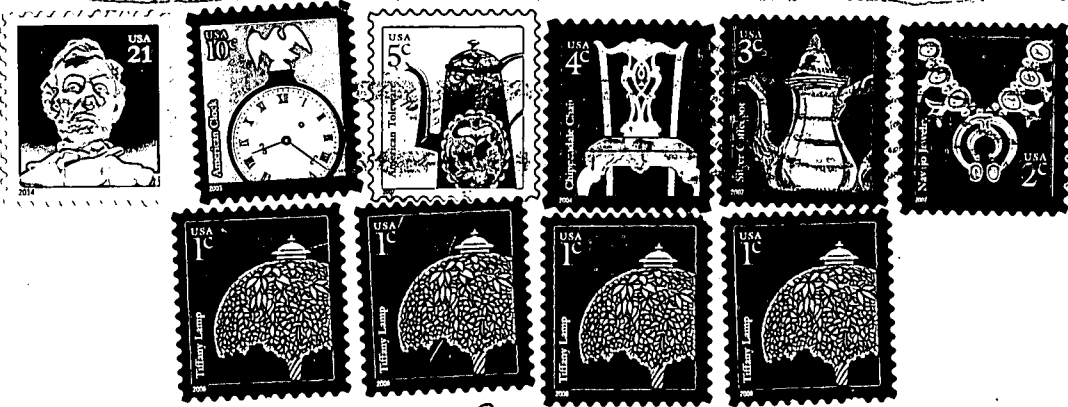

Regina M. Hunter
