Appellate Case No. 2013-002439
Trial Court Case No. 2007-CP-42-3478

Dear Ms. Kitchings:

I was rushing to get my documents concerning the trial transcript to the post office to be mailed by the deadline on Friday, June 13, 2014. I am concerned that I may have failed to put my letter to you in with the documents that I sent to you on Friday. After I had mailed the records to you, I found an extra copy of the letter that I had written to you. In case I failed to send my letter to you, I am sending you these records again. I am sorry if I made this mistake.

We received a response on June 16, 2014 from Ms. Green, the court reporter that prepared the trial transcript. She received our letter requesting the transcript. She has let us know what the fee will be for her to prepare a copy of the transcript. She asked us to send the payment to her and she will get the transcript ready for us. We sent the check to her today and should be receiving the transcript soon.

Sincerely,

Ray Long Mary Long

Appellate Case No. 2013-002439
Trial Court Case No. 2007-CP-42-3478

Dear Ms. Kitchings:

Per your request in your letter to me, I am sending the information showing that we have requested our transcript. Please see my letter sent to Linda Moffitt, the court reporter, dated May 14, 2014 requesting a copy of our trial transcript. Ms. Moffitt was the court reporter for our trial. We received a response back from her this week dated June 8, 2014. We received this letter on June 10, 2014. In her letter to us, she said that another court reporter had actually prepared the transcript of our trial. She said that we would need to contact Pamela Green regarding getting a copy of the transcript. We have sent a letter to Ms. Green requesting the copy of transcript.

Attached you will find the following (1) a copy of the letter sent to Ms. Moffitt dated May 14, 2014 requesting a copy of the transcript; (2) a copy of the letter back to us from Ms. Moffitt dated June 8, 2014 and (3) a copy of the letter that was sent to Ms. Green requesting a copy of the transcript dated June 11, 2014.

My daughter had inquired about the transcript several months back but the transcript had not been processed at that time.

We are in the process now of searching for another attorney to help us.

Sincerely,

Ray Long

Re: Ray Long & Mary Long vs. Tuck & Howell, Inc.
Trial Court Case No. 2007CP4203478

Mrs. Moffitt,

We were at the courthouse on Monday, May 12, 2014, to request a copy of our trial transcript. The lady we spoke with said that we would need to speak with you concerning this matter. We were in court for our trial on September 16, 17 and 18 of 2013.

We have filed an appeal for a new trial with the appeals court because we were treated very badly at this trial.

My husband and I are seniors with very severe health problems. We have not been able to move forward with these legal problems because of our health problems. We can only do a little at a time because of our health problems.

We received a letter from the appeals court. They want to know when we are going to have the trial transcripts.

We want to move forward with this appeal.

Will you please send me a note or a phone call and let me know if you can get this trial transcript together for us and we need to know what this will cost.

Thanks in advance for all of your help.

Sincerely,

Ray Long

Re: Long v. Tuck and Howell 2009-CP-42-781

Dear Mr. and Mrs. Long:

In reference to your letter of May 14, 2014, requesting a transcript of your trial September 16, 17 and 18, I was the court reporter, however, another court reporter prepared the transcript in this matter. You would need to contact her to obtain a copy. Her name is Pamela E. Green, 516 Traversie Court, Spartanburg, SC 29306. I have previously given this information to your daughter when she inquired.

Thank you.

Sincerely yours,

Re: Ray & Mary Long vs. Tuck & Howell, Inc.
Trial Court Case No. 2007-CP-42-3478

Ms. Green,

After getting in touch with Linda Moffitt, who was the court reporter for our trial, she informed us that you were the actual court reporter that prepared the transcript of our trial. We had filed for an appeal but have been very sick and have not been able to proceed with taking care of things. We are in the process of trying to find a new attorney to continue with this as our original attorney has been dismissed. We felt that we were misrepresented by him. For this reason, we are trying to take care of these things ourselves in the meantime. We are requesting that you prepare a copy of our transcript. I realize that there is a cost involved. Please let me know the cost of this and I will send the payment for the transcript to you. My daughter spoke with you at one point but the transcript had not been processed at that time. She thought that you were just helping Ms. Moffitt out with this and did not realize that you had taken this over. This is why we recently sent a letter to the original court reporter regarding this and not to you.

The South Carolina Court of Appeals is requiring me to provide proof to them by this Friday, June 13, that the transcript has been ordered. As you can see from the attached letter to Ms. Moffitt, we sent the letter to her three weeks ago. We just received the response from her in the mail yesterday telling us to get in touch with you for the copy of the transcript. Could you possibly send us a quick response to this letter back to my daughter's email that you have received the request yourself and note when we might expect to receive the copy? That way, we can forward your response to the SC Court of Appeals by the deadline of June 13 per their requirement. My daughter's work email is PalmettoAppraisal@att.net. Thank you in advance for rushing this response back to us.

Sincerely,
