RE: Watts v. SC

Dear Mr. Watts:

The above-entitled petition for writ of certiorari was postmarked September 19, 2014 and received September 24, 2014. The papers are returned for the following reason(s):

No motion for leave to proceed in forma pauperis, signed by the petitioner or by counsel, is attached. Rules 33.2 and 39. The motion must be signed.

No notarized affidavit or declaration of indigency is attached. Rule 39. You may use the enclosed form.

The petition fails to comply with the content requirements of Rule 14. A guide for in forma pauperis petitioners and a copy of the Rules of this Court are enclosed. The guide includes a form petition that may be used.

The appendix to the petition does not contain the following documents required by Rule 14.1(i):

The lower court opinion(s) must be appended.

It is impossible to determine the timeliness of the petition without the lower court opinions.

A copy of the corrected petition must be served on opposing counsel.

Sincerely,  
Scott S. Harris, Clerk
