Re: *Kenneth Green v. S.C. Dep't of Probation, Parole and Pardon Services*
Appellate Case No. 13-ALJ-15-0042

Dear Ms. Allen:

Please accept this letter in lieu of a formal motion declining to enter a reply to Respondent's September 26, 2014 Motion to Stay Timelines. This Appellant does not object to the Court holding the proceeding in abeyance until the determination of Respondent's pending motions.

However, Appellant would caution the Respondent under Rule 269, SCACR regarding the filing of frivolous motions. Respondent is cognizant that the matter included in the ROA was before the Administrative Law Court, was ruled upon by Judge Matthews, and is the subject of Ground III of the instant appeal. Yet Respondent continues to file motions in an effort to have this Court dismiss portions of the Record relevant to the appeal prior to the matter being considered by the Court.

Appellant would ask this Court not to entertain any further frivolous filings from the Respondent.

By copy of this letter, Respondent is served Appellant's position declining to enter a response to the September 26, 2014 motion.

Respectfully submitted,

Kenneth William Green
