Re: The State v. Tyrone L. Robinson
Appellate Case No. 2014-002138

Dear Counsel:

Upon reviewing your client's notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter, or this appeal may be dismissed:

- The accompanying proof of service is not in compliance with the SCACR. Your proof of service should be substantially in the format shown by Form 7 in Appendix C to part II of the SCACR. There is no date on the document showing which date it was served. Also, the proof of service needs to be served upon all parties involved in the appeal.
- The notice of appeal is not accompanied by a redacted copy of the order(s) and/or sentencing sheet(s) challenged on appeal.

- The notice of appeal does not include the full indictment number(s) being challenged on appeal. Please provide the entire indictment number(s).
- The online records search indicated that there were two attorneys involved in this trial, Mr. Arie David Bax and Mr. Jared Sullivan Newman. Please advise this Court as to the status of representation for this appeal.

Very truly yours,
