Petition For Stay

I, William T. Watts II, am requesting the postponement of the involuntary commitment hearing in Lexington County Probate Court on October 16, 2014. I am appealing the decision of not competent delivered on May 5, 2014 and the subsequent appeals; to the Court of Appeals (Case # 2014-001149) and the Supreme Court of South Carolina (Case # 2014-001612) to the Supreme Court of the United States. (see attached letter from the Office of the Clerk dated September 25, 2014). Refer to the "Rules of the Supreme Court of the United States" Rule 14.5, Rule 13. I am simultaneously asking the probate court, Court of Appeals, and the Supreme Court of South Carolina because each court can grant the stay and to expedite the process to request the Supreme Court of the United States grant the stay. I am requesting an immediate response to this request so that I can file, if necessary, with the Supreme Court of the United States before the hearing.

RE: Watts v. SC

Dear Mr. Watts:

The above-entitled petition for writ of certiorari was postmarked September 19, 2014 and received September 24, 2014. The papers are returned for the following reason(s):

No motion for leave to proceed in forma pauperis, signed by the petitioner or by counsel, is attached. Rules 33.2 and 39. The motion must be signed.

No notarized affidavit or declaration of indigency is attached. Rule 39. You may use the enclosed form.

The petition fails to comply with the content requirements of Rule 14. A guide for in forma pauperis petitioners and a copy of the Rules of this Court are enclosed. The guide includes a form petition that may be used.

The appendix to the petition does not contain the following documents required by Rule 14.1(i):

The lower court opinion(s) must be appended.

It is impossible to determine the timeliness of the petition without the lower court opinions.

A copy of the corrected petition must be served on opposing counsel.

Sincerely,  
Scott S. Harris, Clerk
