RE: Johnny Eades v. Palmetto Cardiovascular
Appellate Case No.: 2013-002177

Dear Ms. Kitchings:

The Appellants respectfully request a thirty (30) day extension of time for all parties to file the final briefs in the above referenced appeal. Counsel needs additional time due to a heavy work load, including an initial reply brief due in the S.C. Court of Appeals the day before the final briefs are currently due in this case.

The Record on Appeal was served by mail on October 3, 2014, so by my calculation the final briefs are due on October 23, 2014. A thirty (30) day extension would make the final briefs for all parties due on November 22, 2014.

Appellate Counsel for all of the Respondents have been notified of this request by e-mail, and no objection has been received.

My firm check in the amount of \$25.00 is enclosed for the required fee.

Respectfully submitted,

Gary L. Cartee
