Re: The State v. Deangelo Mitchell (AA Ace Bail)  
Appellate Case No.: 2014-001516

Dear Ms. Kitchings:

As you know, I represent the Appellant with regards to the above referenced matter. I understand that the Appellant's Initial Brief and Designation of Matter are due on or before November 1, 2014. We received the last trial transcript on October 2, 2014. I have had to prepare and attend oral arguments in The South Carolina Court of Appeals this past week, as well as having a State Grand Jury Trial first up next week and three (3) other trials on the trial roster (see attached). Due to these circumstances, I respectfully request a 30-day extension of time to file the Initial Brief and Designation of Matter. I believe the same is currently due on November 1, 2014 and if my request is granted, would be then due on or before December 1, 2014. I have not previously requested an extension of time on this matter.

Thank you for your consideration in this matter. If you have any questions, please do not hesitate to contact me.

With kindest regards, I am

Very truly yours,

Robert T. Williams, Sr.
