SC Court of Appeals

RE: The State v. Kathryn King
2014-001250

Dear Ms. Kitchings:

I am in receipt of a letter dated October 17, 2014, in the appeal listed above indicating that the appeal is allowed to proceed. This Court asked in June and July to provide an explanation that an issue for appellate review was preserved during the guilty plea pursuant to Rule 203 (d)(1)(B)(iv), SCACR. Presumably a response was received that this Court found satisfactory. However, please be advised that I was not served with any response from Appellant and ask that I receive all copies of communications with this Court in this case. It is possible the response was served on the prosecutor; however, our Office is handling the appeal and is in need of a copy of the response for our file.

Sincerely,

Salley W. Elliott
Senior Assistant Deputy Attorney General
