Re: Bankers Life And Casualty Company v. Sabrina D. Davis
Case# 2014-001867

Dear Jenny Abbott Kitchings:

In response to the deficiency noted by your office, I can truthfully state that both the Counsel for the defense and the Office of Court Administration received notice that the court transcript are being requested. I failed to provide notice to you that copies of the request for my court transcripts were mailed to the previously stated recipients. The letters were placed in the mail September 27, 2014. I am sure that both recipients have notification that the court transcripts are being requested. I have also enclosed my reply to the court reporter's request for my court information and will be providing copies to the appropriate parties as directed by this court.

Sincerely,
