Re: Debra Holmes v. Alex's Social Club
Appellate Case No. 2014-002119

Dear Mr. Williams:

Upon reviewing your correspondence titled "Notice of Appeal" received on October 15, 2014, the following deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter or your appeal will be dismissed.

- The notice of appeal is not accompanied by the order(s) and/or judgment(s) challenged on appeal. The order you have identified in the notice does not match the order that you have provided. Specifically, the dates do not match.
- The document received on October 15, 2014, has not been signed as required by Rule 267(b), SCACR.
- Your caption in the notice of appeal referenced "Judge Perry M. Buckner, Circuit Court Judge", however, you mentioned "Benjamin C.P. Sapp, Esquire, Special Referee" in the body of the notice of appeal.

Very truly yours,

A handwritten signature in black ink that reads "Jenny Abbott Kitchings". The signature is written in a cursive style. Above the first few letters of the first name, there is a horizontal line. The signature ends with a large, sweeping flourish.

CLERK
