

The South Carolina Court of Appeals

The State, Respondent,

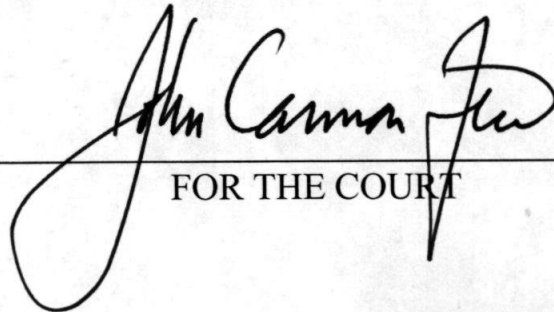

v.

Christopher Andrea Robinson, Appellant.

Appellate Case No. 2014-001638

ORDER

Appellant has filed a notice of appeal from an order of the Court of General Sessions, which he indicates he received July 7, 2014. Appellant filed two certificates of service, one indicates Appellant served the notice of appeal on July 28, 2014 and the other shows service on August 7, 2014. Because Appellant has failed to provide proof he timely served the notice of appeal, this appeal is dismissed. *See* Rule 203(b)(2), SCACR ("After a plea or trial resulting in conviction or a proceeding resulting in revocation of probation, a notice of appeal shall be served on all respondents within ten (10) days after the sentence is imposed. *In all other cases, a notice of appeal shall be served on all respondents within ten (10) days after receipt of written notice of entry of the order or judgment.*" (emphasis added)); Rule 263, SCACR ("The time prescribed by these Rules for performing any act *except the time for serving the notice of appeal* under Rules 203 and 243 may be extended or shortened by the appellate court, or by any judge or justice thereof." (emphasis added)). Because this appeal is dismissed, this Court declines to act on Appellant's pending motion.
