## ORDER

---

This appeal was dismissed due to Appellant's failure to serve and file Appellant's initial brief and designation of matter. The same day this Court sent down the remittitur, Appellant filed a request for an extension of time to serve and file his brief. This Court construes the extension request as a request to rehear the dismissal of this appeal. Appellant has now filed a motion to recall the remittitur. After careful consideration and for good cause, the motion to recall the remittitur is granted. Appellant shall serve and file Appellant's initial brief and designation of matter within thirty days. This Court will act on Appellant's petition to rehear the dismissal of this appeal upon receipt of Appellant's initial brief and designation of matter or the expiration of thirty days.
