**Re: Marquita Smith v. State
Appellate Court Case No. 2012-212698**

Dear Mr. Shearouse:

The Return to Petition for Leave to File Petition for Writ of Certiorari to the South Carolina Court of Appeals in the above referenced matter is due to be served and filed today. I would respectfully request a 10-day extension in which to serve and file this.

The week of October 27, 2014, I am in Beaufort County for a term of PCR hearings before the Honorable Edgar Dickson. This extension request is not intended for purpose of delay, but is necessitated by my court scheduled and workload.

Sincerely,

Ashleigh R. Wilson
Assistant Attorney General
