REHEARING

The South Carolina Court of Appeals

The State, Respondent,

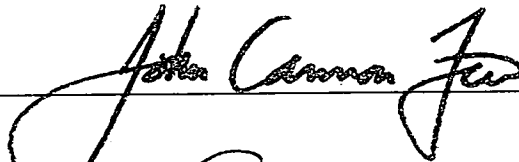

v.

Akeem Alim-Nafi Abdullah-Malik, Appellant

Appellate Case No. 2014-001001

ORDER

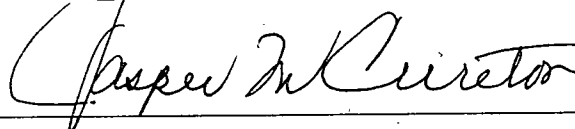

This appeal was dismissed for failure to timely serve the notice of appeal on Respondent. Appellant has now filed a petition to rehear the dismissal and consider his motion for an appeal bond. After careful consideration of the petition for rehearing, the Court is unable to discover that any material fact or principle of law has been either overlooked or disregarded, and hence, there is no basis for granting a rehearing. Accordingly, the petition for rehearing is denied.¹
