

The South Carolina Court of Appeals

The State, Respondent,

v.

Leroy Clifton Gibbs, III, Appellant.

Appellate Case No. 2013-001297

ORDER

Respondent has filed a request to hold the time for service and filing of Respondent's initial brief and designation of matter in abeyance pending receipt of a requested transcript. Respondent's request is granted. Respondent shall immediately notify this Court upon receipt of the transcript. Respondent's initial brief and designation of matter will be due thirty days after receipt of the transcript. Because three extensions have already been granted, no extensions for the service and filing of the brief will be granted absent a showing of extraordinary circumstances.
