Dear Honorable Samuel Abbott Litchings

I just got the letter to day from my lawyer Joseph T. St. Pierre.

Case NO. 2014-000703

I'm appealing because at the time of my guilty plea my mental capacity was not competent and I'm still not competent. I have a long history of mental health. I have been in the mental health unit at Leber Correctional Inst. I also can show the Court that I'm mental health. I'm asking the Court to grant me appeal because of these reasons.

Pursuant to Rule 203 (D)(1)(b)(iv)
