Re: State v. Antonio E. Tate
Appellate Case No. 2013-001562;
Request for Extension (second) of Initial Brief of Respondent

Dear Ms. Kitchings:

The Initial Brief of Respondent and Designation of Matter in the above appeal are due to be served and filed November 10, 2014. However, due to a heavy workload and illness, I am requesting a 30-day extension to file these documents. This is the second extension request in this case, and it is not intended for the purpose of delay. Since the first extension, in addition to my other work load, I have prepared four (4) cases for trial in General Sessions Court and have also been ill with a stomach virus.

I appreciate your consideration of this request and ask that you hold the filing time in abeyance during the time in which this request is pending.

By copy of this letter, I am informing counsel for Appellant of this extension request.

Sincerely,

Megan B. Burchstead
Assistant Attorney General
