Re: The State v. Todd Finklea
Appellate Case No. 2014-002374

Dear Counsel:

The Court is in receipt of what is being construed as a notice of appeal from a Mr. Todd Finklea. According to our records, you are the counsel of record for Mr. Finklea. A copy of Mr. Finklea's notice has been attached.

Upon reviewing your client's notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, it does not list opposing counsel and is not in the format as shown in Appendix C, SCACR.
- The notice of appeal is not accompanied by a redacted copy of the order(s) and/or sentencing sheet(s) challenged on appeal.
- Since this is an appeal from a guilty plea, nolo contendere plea, or plea pursuant to Alford, Rule 203(d)(1)(B)(iv) of the South Carolina Appellate Court Rules requires "a written explanation showing that there is an issue which can be reviewed on appeal. This explanation should identify the

issue(s) to be raised on appeal and the factual basis for the issue(s) including how the issue(s) was raised below and the ruling of the lower court on that issue(s). If an issue was not raised to and ruled on by the lower court, the explanation shall include argument and citation to legal authority showing how this issue can be reviewed on appeal."

- A proof of service has not been provided showing service upon opposing counsel. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.
- The document has not been timely filed. A motion to allow the late filing will have to be made.

Very truly yours,

Handwritten signature of Jonny Abbott Kitting in cursive script.
