MOTION TO SUPPLEMENT APPENDIX

---

The Petitioner, through his undersigned counsel, respectfully requests this Court grant permission to supplement the appendix in this matter and allow counsel 30 days from the date of this motion to supplement the appendix.

Counsel was informed by the Clerk's office that pages were missing from the transcript included with the appendix. Counsel had a copy of the transcripts from Petitioner, but returned the copy prior to preparing the appendix. To prepare the appendix, counsel obtained an electronic copy of the trial transcript and other documents for the appendix from the Charleston County Clerk of Court. It appears the missing pages were also missing from that document. Because the pages do not appear to be directly relevant to any of the arguments in this matter, counsel did not notice they were missing. Counsel sincerely apologizes to the Court for this oversight.

Counsel is in the process of contacting both the State and the Petitioner to obtain the missing pages and respectfully requests this Court grant 30 days to complete that task and either submit a supplemental appendix with the missing page.
