Dan,
FYI, I have already spoken to Mike Stobbe about the case. Apparently, SCDC only received the original sentencing sheet and not the May 24, 2012 Order of Judge Couch or the subsequent nolle prosequere of the weapons charge.
Sincerely,
Ed Salter

Subject: Charvus Nesbitt - SCDC #00349711 - (Indictment #2011-GS-42-1414)

Dear Mr. Crooks:

Currently the SCDC records reflect that Mr. Nesbitt (SCDC #00349711) is serving a 5 year concurrent sentence on a weapons possession charge that resulted from a February 13, 2012 guilty plea to the charges of murder, attempted murder, attempted armed robbery and possession of a weapon and a negotiated 40 year sentence. However, by way of the attached Order filed on May 24, 2012 by the Honorable Roger L. Couch, that conviction sentence was vacated. Also, on March 27, 2013 the State entered a nolle prosequere of this charge, so that it no longer exists.

I would appreciate your assistance in trying to correct Mr. Nesbitt's sentence.

Upon your receipt of this email, please contact Mr. William Edgar Salter, III directly at (803) 734-3734 (main line 803-734-6305).

Thank you.
