Dear Clerk:

I filed a motion for reinstatement dated August 25, 2014. Here at the institution handwritten generated documents will NOT be copied. I humbly request for a clock stamped copy of this motion so that I could get copies made being that it is considered a legal document once its clock-stamped by the courts. I humbly make this request so that I can comply with institution rules.

Sincerely,

Tyrone Perry 307793
